FEES PAYMENT

We want to extend our sincere gratitude to all our parents on their timeous payments of schools. It is worth mentioning that most of our parents have filled in debit order which make it stress free for them to honour fees payment. Thank you so much.

NOTE

- You are still reminded that school fees are due on the 3rd of every month.
- Fees can be paid in three ways, namely, monthly (debit order), termly and annually.
- Monthly payments must be strictly debit order.
- Make sure your debit order runs through successfully as bounced debit orders will be charged R200 each time it bounces.

STATIONERY

We want to thank you parents for the stationery that was brought by learners. It is with noting that some learners did not bring the stationery as per requirement quantity. We appeal to the parent to make sure stationery is brought in. the stationery is solely for use to benefit learners at all times

Most learners did not buy textbooks. This is a concern as it stifles the curriculum delivery especially when learners are to research or read further. We encourage you parents to buy textbooks for these future leaders.
